

Reasons to support ZANE

ACN no 613 802 574

- ZANE** builds a personal relationship with every one of the 2,600 elderly, often very lonely, people to whom we give aid, support and encouragement. Only those really in need of assistance receive it.
- ZANE** provides the only social services network in Zimbabwe. Where help for the poverty-stricken is needed, ZANE staff draw support from a range of sources, including family members in Zimbabwe and overseas.
- Donors are able to choose which aspect of **ZANE's** mission they plan to support.
- Recently **ZANE** was the Telegraph Group Overseas Charity of the year.
- ZANE** is in effective partnership with all the UK Services' charities, supporting over 600 ex-service men and women and their widows. These veterans served the Crown in WW2, Korea, Malaya and Aden.
- ZANE** runs training initiatives and supplies seed-funding to enable self-help businesses and food production in impoverished communities in Zimbabwe.
- ZANE** funded the first clubfoot correction programme in Zimbabwe. Eleven treatment centres have been established and over 2,110 children have received treatment to date.
- ZANE** receives no aid from the government and relies wholly on support from private donors.
- An independent consultancy reviewed **ZANE** and the report stated: "The charity thrives on its responsiveness, flexibility and lack of bureaucracy. Operationally ZANE is frugal, focused and effective in delivering aid to the needy."

If you want to save a life then please support ZANE

ZANE does invaluable, literally lifesaving work in Zimbabwe in providing essential support for those who can no longer help themselves – especially amongst our senior citizens. As ZANE extends its fundraising activities to Australia, I am pleased to endorse the importance of its work and guarantee that the money raised goes where it is needed most. I encourage fellow Australians to support them generously.

Matthew E K Neuhaus, Australian Ambassador, Australian Embassy, Zimbabwe.

There are many people in Zimbabwe who today remain in desperate need of help, through no fault of their own. ZANE is a dedicated charity devoted to providing a lifeline to these people. The ZANE team is hard-working and focused, bringing impressive results for the poorest and least advantaged, and is most worthy of our support.

Jonathan Sheppard, Former Australian Ambassador to Zimbabwe Board member, ZANE Australia

ZANE does an excellent job for the people of Zimbabwe. I wish the charity really well.

*Rt Hon David Cameron MP
Former Prime Minister*

S.O.S Save Our Soldiers

www.zaneaustralia.org.au

Six hundred and fifty veterans who fought for the Crown in World War 2, or in Malaya, Korea, and Aden are today frail, old and silently starving in Zimbabwe. They exist without healthcare and are entirely dependent on charity.

Harold, 91, was a Sub-Lieutenant in Burma and awarded the Burma Star. To support his family Harold later worked as a Civil Engineer for 32 years. Sadly, the family savings disappeared in the great inflation of 2006-9: victims of Zimbabwe's chronic corruption and economic freefall.

By 2012 Harold and his wife Mary were both suffering dementia. Today they are incontinent and struggle to cover the cost of basic food and incontinence pads. The sad truth is that Harold and his wife are increasingly losing the lonely and painful struggle merely to survive. An acute financial crisis grips Zimbabwe. Hundreds of aged veterans, like Harold, who fought for our Crown, today live lives mired in fear and economic uncertainty....and it's getting worse daily.

In partnership with ZANE, the UK services charities give what they can afford. However ZANE battles with rising costs and has to contend with the lengthening queues of frail and elderly people who are desperately seeking ZANE's aid.

The harsh facts are:

- AU\$68 will provide a war veteran like Harold with a week's provision of basic foods, healthcare and transport to enable them to live out the rest of their lives in some comfort.
- AU\$270 will provide a month's provision.

These brave veterans served the Western democracies in their darkest hour: today we must honour them in theirs.

Together we can save a life.
